

## Increased Dental Rankings & Conversion (Positive ROI) from SEO

Complete SEO dominance for a major city – Tijuana. Tijuana is a major dental tourism city with fierce competition (much more than your average local dentist). Not only did the client’s main website rank, he decided to build 3 others. 4 websites routinely on page 1, bringing in extremely targeted traffic, converting into leads and new clients through high end SEO.

\$714

\$55,314 per Month SEO Traffic or \$663,768 worth of SEO traffic Annually

This would cost over half million dollars to buy this traffic via Google Adwords alone. By leveraging perfect technical search engine optimization and high-end SEO promotions we were able to completely dominate an entire city. While rankings and traffic fluctuate, the ROI has remained consistently positive with an exponential return on investment within 6 months. ROI remains even higher for USA dentists, as lifetime value of clients further increases profits and value investing in SEO versus one-time dental tourists.
